Dear Valued Thuemling Instrument Group Customer,

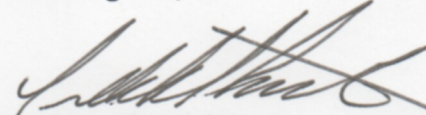

In regards to the Dodd/ Frank Conflict Minerals Act, Thuemling Industrial Products Inc. does not source anything from the conflict region. A letter from our supplier is as follows:

According with our supplier of this solder (Aleaciones y Fundentes, S.A de C.V., contact Joachim Kieler), the origin of components is:

PRODUCT	ORIGIN
ZINC	MEXICO
CADMIUM	MEXICO
TIN	BOLIVIA - INDONESIA - MALASIA*

* OUR SUPPLIER COMMENTS: WE DO NOT BUY DIRECTLY FROM THE PRODUCER, BUY IT TO A BROKER IN THE U.S. AND WE NORMALLY SENT FROM ABOVE PRODUCT. We know there is a conflict over the use of some metals that its origin is the Democratic Republic of Congo since in this country are operated and use children in the production, therefore, our supplier is well aware of the conflict and only provides us with product from countries outside the conflict.

Best Regards,

Todd C. Thuemling
